

WCIAA (West Central Indiana Angus Association) will sponsor the first of three planned 2014 Winter Informational Meetings on Thursday, January 30, 2014 at 7:30 PM in the Turkey Run Inn, 8121 E Park Rd., Marshall, IN 47859.

The meetings are intended for all beef cattle producers – registered and commercial - regardless of breed. A dutch-treat buffet dinner will be available at 6:30 PM or meals can be ordered directly from the menu. Attendance at the dinner is not required to attend this meeting. Future meetings are planned for Thursdays 2/27/14 and 3/27/14 with meeting topics and locations to be announced later.

This meeting was our most popular meeting last year. It will feature representatives from the major semen companies, including ABS, Accelerated Genetics, Genex and Select Sires. They plan to:

- Supply 2014 Beef Sire Directories
- Provide updates on current sire lineups
- Answer questions from attendees

There are plans for Door Prizes. No reservations are needed – just join us for an educational and enjoyable evening. For more information – please contact Kevin Swaim @ 765-366-9011.
