Welcome

Welcome to the Ninth Annual Beef Unit Showcase and Production Sale at Purdue University. It is with great excitement that the Beef Unit and the beef team welcome producers, alumni and special guests to the Purdue Beef Unit. Cattle and facilities will be available to view Friday and Saturday December 9th and 10th with staff here to answer any questions. Saturday lunch will be served at 11:00 A.M. Lunch is provided by the following sponsors:

Merck Animal Health- Jeff Leininger

Vita Ferm- Don Copper

Indiana Beef Cattle Assoc. - Joe Moore

Cisco Seeds- Greg Downing

Vita Plus- Chance Meterer

Purina Mills- David Newsom

Gro-Tech Incorporated- Austin Stevens

Elanco- Jon Sweeney

Millett AI Service- Mark Millett

Merial- Ryan Schroer

West Central Indiana Angus-

Genex- Kevin Swain

Following lunch, at 1:00 pm, we will be selling a select group of forty-four bred cows that offer something for everyone. Included in the offering are some UNO MAS and Tejas daughters.

We hope the open house portion of this event serves as a source of information for everyone who might be interested and that the sale will bring together students, faculty, staff, alumni, family, and friends that share the common bonds of Purdue University and the livestock industry. Many students have been involved in the planning and preparation for this exciting event. We hope you will support their efforts and make this an annual event we all can be proud of. The cattle will have health papers for interstate movement. The cows have been vaccinated and dewormed. If we can assist you in any way, please contact us at any of the numbers listed below. Many “thanks” to Phil Reid for all the videography and website development. Without his help this sale would not be possible.

Sincerely Yours,

Purdue Beef Team
