

# Links Containing Information on Eggs and Poultry

Dr. Mickey Latour, Poultry Extension Specialist in the [Animal Science Department](#) at [Purdue University](#) has created a website for anyone interested in general information about poultry, or information concerning Indiana's poultry industry. This site also contains information on the "Incubators in the Classroom" project.

<http://ag.ansc.purdue.edu/poultry/>

For information about eggs and recipes, click onto the [American Egg Board](#). The link, Learn More About Eggs includes the following information:

Basic Egg Facts - Egg Safety - Nutrition - Eggcyclopedia - Cooking Eggs – Trivia

[National Egg Quality School](#): May 16 - 19, 2011, Des Moines, Iowa. For more information: <http://www.neqs.org/>
