ANSC 181 HW  Strength Development Action Plan - using your top 5 Strengths identified from the Strengthsfinder assessment and book, write and submit a 250-word action plan of what three actions you will commit to make into habits during the rest of this semester and explain how you will strengthen your strengths. Due February 13 team meeting.

Do you want to have the opportunity to do what you do best every day?

To help people uncover their talents, Gallup introduced StrengthsFinder that has helped millions and will help you discover your top 5 talents. This book and accompanying website is loaded with hundreds of strategies for applying your strength to your world of work.

When reading this book and completing the Strengthsfinder Assessment you will:

- Discover your top 5 talents
- Develop a personal action plan for applying your strengths in the next month and year
- Gain 50 ideas for action – 10 strategies for building on your top 5 areas
- Utilize the StrengthsFinder website resources and library to improve your career planning
- Become aware of your “lesser talents” and help you avoid road blocks in the future
- Most successful people focus on their talent then add practice, skills and knowledge

\[ \text{Talent} \times \text{Investment} = \text{Strength} \]

Talent (natural way of behaving)

\[ X \]

Investment (time developing your skills and knowledge)

= Strength (ability to provide very strong performance)
