

Resources for Obtaining a Job or Getting into Vet or Grad School

- Most companies are using Linked in exclusively to recruit students – create or update your Linked in account:

<https://purduecco.wordpress.com/cco-linkedin-boot-camp-spring-2014/>

- Improve and update your resume and use the CCO to search for jobs – use great power verbs in your resume:

<https://www.cco.purdue.edu/mycco.aspx>

- Work on your personal statement and application for vet/grad school

<http://vet.purdue.edu/dvm/>

- Get excellent letters of recommendation

- Graduate school application process:
