Parking and Directions to PFEN

Parking is available between Lilly, BCHM and SMITH Hall (enter on South University Street). If parking is not available there or on the street, there should be parking available in the Marsteller Street Parking Garage (enter the parking garage from Marseller St. or Sheets St). For those parking in the Lilly/BCHM/Smith parking lot, cross the street, enter
the front of PFEN and go up the stairs to Room 241 (there is an elevator to the right in the back of the lobby.

**Wheelchair and elevator access** - Wheelchair access to PFEN is complicated and the entrance is through WSLR (just south of PFEN on S. University Street). Enter WSLR and turn left in the hallway and it dead ends into another hallway. There is a door way that leads to a ramp down one level and once in that hallway there is an elevator on the left as you move north towards the front of PFEN.

If you have any questions about directions during your trip, please call me on my cellphone at 765-427-6292.
