All New Certificate Swine Education Series
Breeding Herd Management Course

Be a part of this first ever Distance Learning Course in swine management to be offered by the Purdue University Department of Animal Sciences. The Program will originate on campus and be broadcast in 6 counties wherein interaction with instructors on campus is possible. This is a four week short course intended to update producers, managers, and swine industry technical representatives on Breeding Herd Management topics which include these areas:

*Mating Management - Heat Detection and AI
*Gestation Management
*Basic Nutrition and Feeding Management
*Health Issues
*Gilt Development and Acclimation
*Pregnancy Diagnosis-Real Time Ultrasound

Plus - you will receive educational materials which you can use to provide information to your employees.

When: Monday afternoons from 3:15 p.m. to 5:15 p.m.
February 12, 2001 through March 5, 2001

Where: Offered at these County Extension sites:
Clinton County; Decatur County; Marion County; Marshall County; Vanderburgh County; Whitley County, and a site on the Purdue - West Lafayette Campus
